

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

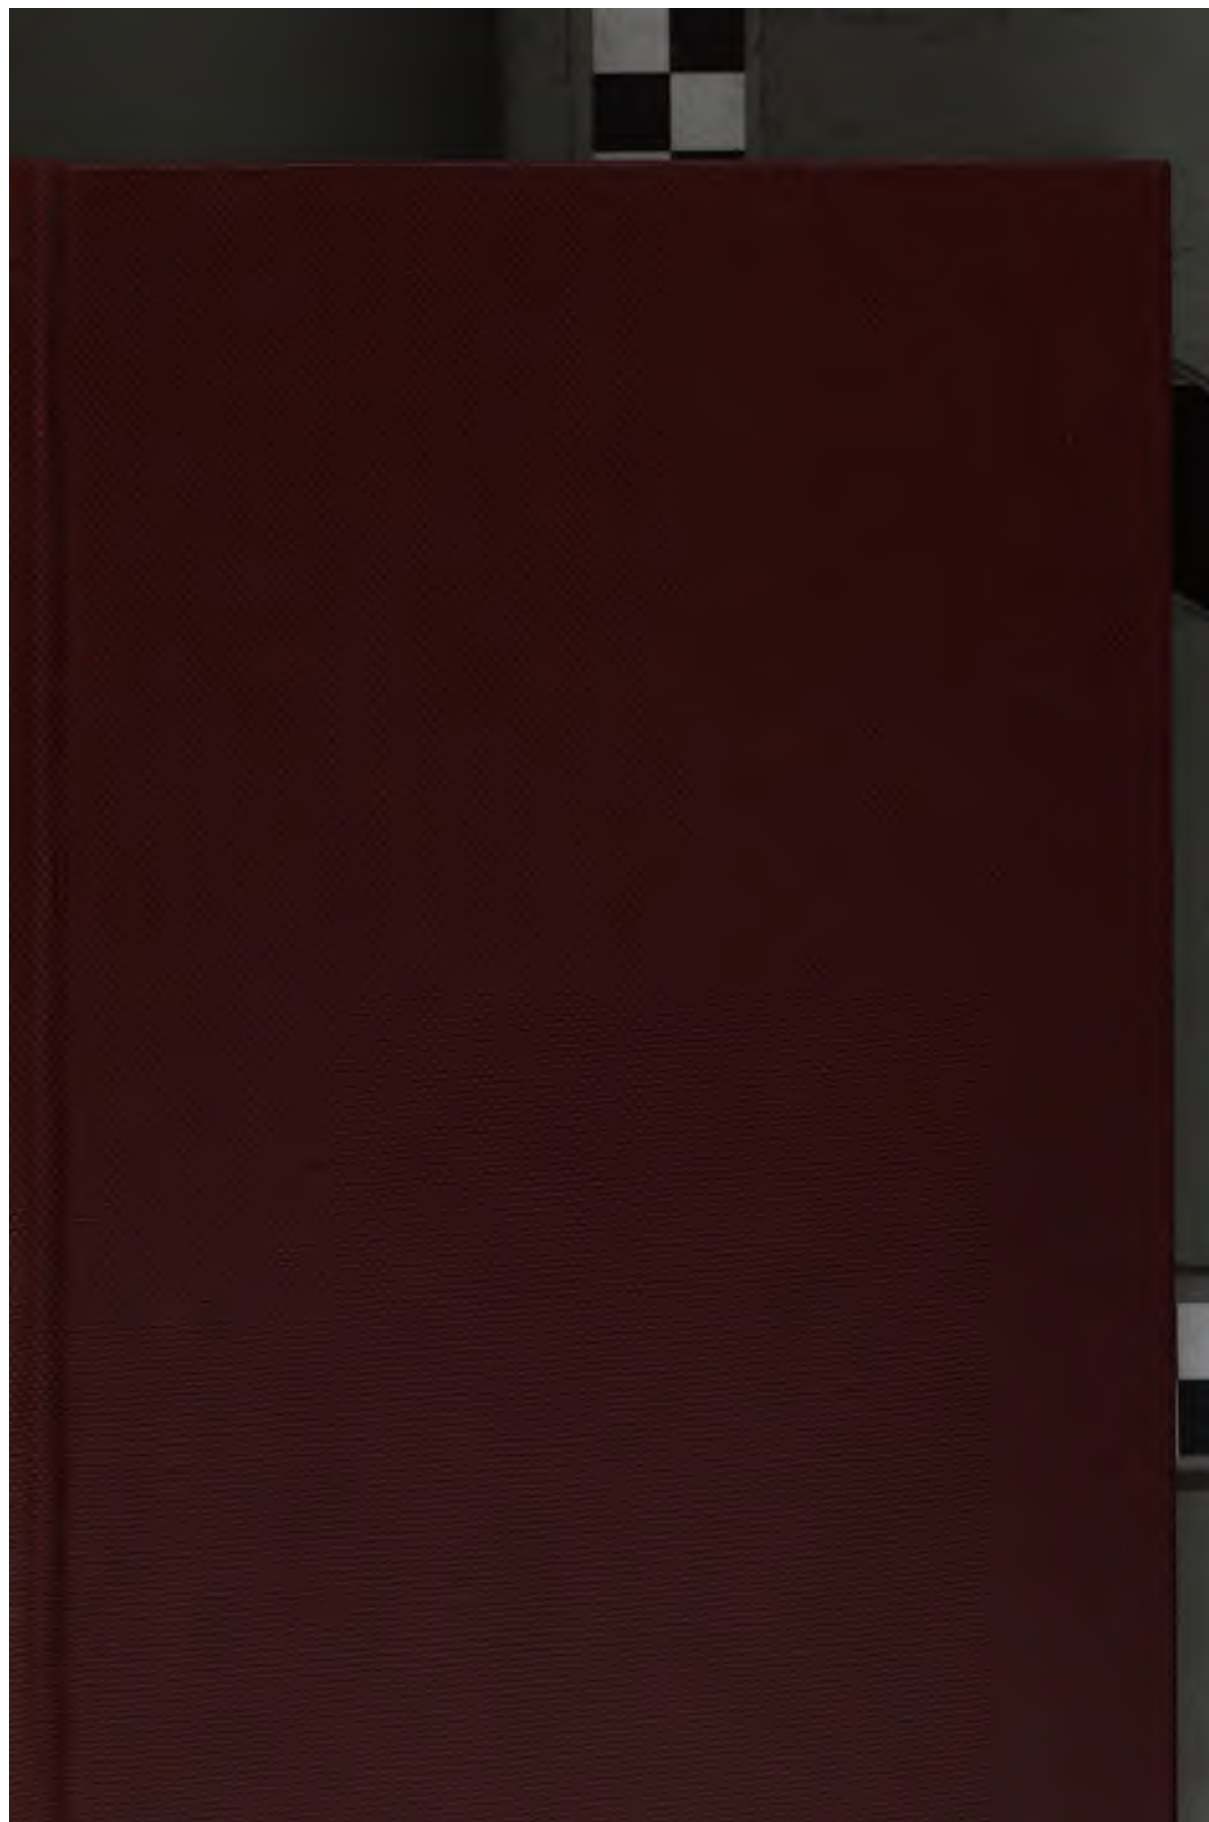

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. NOTICE.

The Bibliography of America consists principally of the "Bibliotheca Americana" from 1820 to 1861, in four volumes, compiled by the late O. A. ROORBACH, and the "American Catalogue," from 1861 to 1866. These volumes are known to be quite defective, and many suggestions have been made by correspondents as to the best mode of supplying the omissions. In the present volume an attempt has, in part, been made to do so, and it is proposed to carry out the plan here commenced, in the successive volumes of the "American Catalogue," until all deficiencies are supplied.

There has been no separate classification of the omissions here inserted, but they will be found in regular Alphabetical order, and can be easily recognized by their date, which in all cases is given. It was not until the work was far advanced that this idea was entertained, and as this involved much time and labor, a fear of delaying the issue of the present volume too long has prevented it from being as full as it might otherwise have been; but in the future volumes there will be no expense or labor spared until all the omissions as far as possible are included. The compiler hopes this new feature in the "American Catalogue" will be appreciated by the Trade generally, and by Librarians particularly.

JANUARY TO DECEMBER, 1868.

No. 1. JANUARY AND FEBRUARY.

Observations on Some Specimens of Vertebrata.

E. D. Cope.

A Monograph of the Alcidae. *Elliott Coues, M.D.*

List of Birds Collected in Southern Arizona.

With Remarks, by Elliott Coues, United States Army. *Dr. E. Palmer.*

Committees Elected for 1868.

Descriptions of Some New Species of Diurnal Lepidoptera. Series III. *Tryon Reakirt.*

No. 2. MARCH, APRIL, AND MAY.

Remarks on Fragments of a Large Enaliosaurian. *Prof. E. D. Cope.*

Remarks on the New Species of *Osmerus* (O. Sergeanti). *Thaddeus Norris.*

Description of Nine Species of Unionidae from Lake Nicaragua, Central America. *Isaac Lea.*

An Examination of the Reptilia and Batrachia Obtained by the Orton Expedition to Ecuador and the Upper Amazon, with Notes on Other Species. *E. D. Cope.*

Sexual Law in *Acer dasycarpum* Ehrh. *Thos. Meehan.*

On a New Mineral in Cryolite. *Theodore D. Rand.*

Description of Sixteen New Species of the Genus *Unio* of the United States. *Isaac Lea.*

Notes on Some Singular Forms of Chinese Species of *Unio*. *Isaac Lea.*

List of Birds Collected at Laredo, Texas, in 1866 and 1867. *H. B. Butcher, M.D.*

Descriptions of Four New Species of Exotic Unionidae. *Isaac Lea.*

Descriptions of Twenty-six New Species of Melanidae of the United States. *Isaac Lea.*

No. 3. JUNE, JULY, AND AUGUST.

Variations in *Epigaea Repens*. *Thomas Meehan.*

Monocism in *Luzula campestris*. *Thos. Meehan.*

Account of the Discovery of the Freshwater Origin of Certain Deposits of Sand and Clays in West New Jersey. *E. D. Cope.*

Remarks on Some Remains of Extinct Cetacea, etc. *Prof. E. D. Cope.*

Description of Seven New Species of *Unio* from North Carolina. *Isaac Lea.*

A Sketch of the Natural Order Liliaceae, as Represented in the Flora of the States of Oregon and California, with Special Refer-

ence to the Plants Collected in an Excursion Along our Pacific Coasts, A.D. 1866. *Alphonso Wood.*

Notice of Some Vertebrate Remains from Hardon County, Texas. *Joseph Leidy, M.D.*

Indication of an Elotherium in California. *Joseph Leidy, M.D.*

Notice of Some Reptilian Remains from Nevada. *Joseph Leidy, M.D.*

Remarks on the Leaves of Coniferae. *Thomas Meehan.*

Mitchella Repens, p., a Dioicous Plant. *Thos. Meehan.*

Notice of Some Vertebrate Remains from the West Indian Islands. *Joseph Leidy, M.D.*

Second Contribution to the History of the Vertebrata of the Miocene Period of the United States. *E. D. Cope.*

Notice of Some Remains of Horses. *Joseph Leidy, M.D.*

Notice of Some Extinct Cetaceans. *Joseph Leidy, M.D.*

Remarks on a Jaw Fragment of *Megalosaurus*. *Joseph Leidy, M.D.*

Remarks on *Conosaurus* of Gibbes. *Joseph Leidy, M.D.*

No. 4. SEPTEMBER AND OCTOBER.

On the Crocodilian Genus *Perosuchus*. *E. D. Cope.*

Notice of American Species of *Ptychodus*. *Joseph Leidy, M.D.*

Synopsis of the Extinct Batrachia of North America. *Edward D. Cope.*

On *Agaphelus*, a Genus of Toothless Cetacea. *E. D. Cope.*

Observations on the Occurrence of Cupriferous Ores in Texas. *Dr. F. A. Genth.*

Notice of Some American Leeches. *Joseph Leidy, M.D.*

Notice of Some Remains of Extinct Pachyderms. *Joseph Leidy, M.D.*

On Some Cretaceous Reptilia. *E. D. Cope.*

On the Origin of Genera. *Edward D. Cope, A.M.*

Nos. 5 AND 6. NOVEMBER AND DECEMBER.

Variations in *Taxodium* and *Pinus*. *Thomas Meehan.*

Remarks on the Geology and Mineralogy of Venezuela. *R. P. Stevens.*

Sixth Contribution to the Herpetology of Tropical America. *Edward D. Cope.*

Notice of Some Remains of Extinct Insectivora from Dakota. *Joseph Leidy, M.D.*

Observations on Reptiles of the Old World. Article II. *E. D. Cope.*

Note on Some Points in the Structure and Habits of the Palaeozoic Crinoidea. *F. B. Meek and A. H. Worthen.*

On the Seed Vessels of *Forsythia*. *Thomas Meehan.*

Remarks on Some Types of Carboniferous Crinoidea, with Descriptions of New Genera and Species of the same, and of one Echinoid. *F. B. Meek and A. H. Worthen.*

Descriptions of Seven New Species of American Birds from Various Localities, with a Note on *Zonotrichia melanotis*. *George N. Lawrence.*
